1ST MYBA SUPERYACHT MANAGEMENT SEMINAR

Why should you attend?

This three-day seminar is organised in association with MYBA and takes place in the idyllic setting of Nice in the South of France.

The seminar will gather together a panel of leading industry experts who will guide participants through three intensive and highly interactive days of analysis, debate and practical case studies on all aspects of Superyacht Management.

A comprehensive programme offers you an excellent chance to improve and expand your knowledge and actively participate in practical project work within case study groups. The delegate numbers are strictly limited to 32 places to assist with the Q&A sessions, panel discussions and to ensure that all delegates can maximise the benefits gained from their practical casework and networking opportunities.

Take advantage of your opportunity to learn from leading experts and network with existing and new entrants to the Superyacht Management field. As numbers are restricted, it is highly recommended that you register early to avoid disappointment.

Who should attend?

Similar to our past Superyacht Brokers seminars, our participants come from many different parts of the industry, those just starting out, as well as those looking to refresh and update their knowledge and experience.

Delegate Fee Inclusive of Accommodation

Your delegate fee is wholly inclusive of two nights' accommodation in addition to meals and refreshments during the duration of the seminar.

All attendees will be expected to be in the hotel for the entire three days as task work on the first and second evenings will preclude any other commitments.
